

Plastimark®

## Speesy 45 L

---

Versatile, in every use

## THE BENEFITS OF THE WHEELED BASKET

### RFID

No interference with RFID-enabled devices.

### TOTALLY RECYCLABLE

It can also be produced from recycled materials.

### UV PROTECTION

Product with anti-UV and anti-fade performance.

## Basket Speesy

VERSATILE

FUNCTIONAL

SILENT

### COMFORTABLE

Structure and shapes designed for practical and intuitive use, facilitating grip and handling during daily use, without interfering with movement.

### RESISTANT

Built to withstand high loads, it guarantees strength and durability even with heavy daily use.

### HIGH-CAPACITY

Built to withstand high loads, maintain structural solidity, ensure lasting performance, strength and reliability.

### SILENT

Silent rolling even on uneven surfaces, for comfortable use and an enhanced shopping experience for customers and shop staff.

### HAND CARRY OPTION

Can be hand carried for simple and immediate handling, ideal for quick and practical use in all spaces.

### OPTION WITH WHEELS AND TELESCOPIC HANDLE

Equipped with wheels and a telescopic handle, it allows easy transport and reduces effort, ensuring comfort and stability even when fully loaded.

## CUSTOMISATION

### COLOUR COMBINATION

Customisable in any colour at the customer's request, with a minimum order quantity.

### YOUR LOGO

Logo insertion available with sticker, for brand visibility.

### CLEAN

All products can have added antibacterial for extra safety.

### ECO-COMPOUND

Also available in Plastimark's different Eco-Compounds to reduce environmental impact and contribute to a sustainable future.
