

Plastimark®

Tyko 33 L

Recognisable ergonomics and style

THE ADVANTAGES OF HAND BASKETS

RFID

No interference with RFID-enabled devices.

TOTALLY RECYCLABLE

It can also be produced from recycled materials.

UV PROTECTION

Product with anti-UV and anti-fade performance.

Basket Tyko

LIGHT

ELEGANT

ERGONOMIC

FUNCTIONAL

Compact and lightweight, it can be easily stored, providing tidiness, practicality and efficient space management, even in tight spaces.

RESISTANT

Built to withstand high loads, it guarantees strength and durability even with heavy daily use.

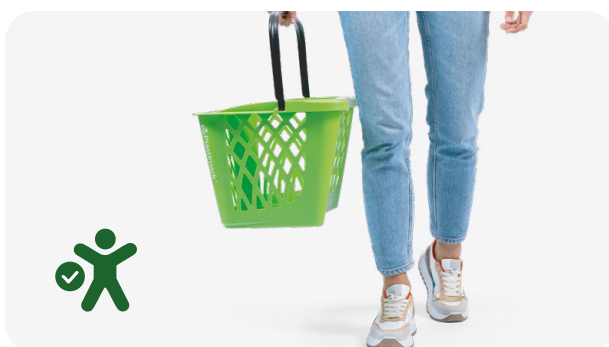

HIGH-CAPACITY

Ample internal space to comfortably carry several items, ensuring practicality and organisation when transporting everything you need.

CUSTOMISABLE

It allows customisation of colour and logo, becoming a visual communication tool, an effective channel for promotion and branding.

COMFORTABLE

Ergonomic design with soft and comfortable shapes, designed for comfort, ease of use and user convenience.

COMPATIBLE WITH SYSTEMS

Designed to integrate with other products, it allows the creation of combined systems of different litre volumes according to the user's needs.

CUSTOMISATION

COLOUR COMBINATION

Customisable in any colour at the customer's request, with a minimum order quantity.

YOUR LOGO

Logo insertion available with sticker, for brand visibility.

CLEAN

All products can have added antibacterial for extra safety.

ECO-COMPOUND

Also available in Plastimark's different Eco-Compounds to reduce environmental impact and contribute to a sustainable future.
